

Cybersecurity Software Service Agreement

Cybersecurity Software Service Agreement

Cybersecurity Software Service Agreement

Parties:

This Cybersecurity Software Service Agreement ("Agreement") is entered into on the [Effective Date], between Marslander Inc., a space exploration and aerospace company ("Client"), and Juno Inc., a cybersecurity software provider ("Provider").

1. Purpose:

The purpose of this Agreement is to provide Marslander Inc. with cybersecurity software solutions to secure their spacecraft during Mars landing and exploration. The software will protect against hacking and cyber threats originating from Mars or Earth.

2. Scope of Services:

Provider agrees to deliver the following services:

- Implementation of cybersecurity software on Marslander's spacecraft.
- Real-time monitoring and threat detection.
- Automated response and mitigation of cyber threats.
- Regular updates to ensure the latest threat intelligence is utilized.
- Remote assistance and technical support, as needed.

3. Pricing and Payment Terms:

Usage-Based Pricing:

- Marslander Inc. will be charged based on data volume processed and cybersecurity events handled.

Cybersecurity Software Service Agreement

- Base Rate: \$0.10 per MB of data processed.
- Threat Mitigation Event: \$50 per critical threat neutralized.
- Monitoring and Reporting: \$100 per month per spacecraft.

Discounts:

- Volume Discount: 10% discount on data processing if monthly usage exceeds 1 TB.
- Long-Term Partnership Discount: Additional 5% for continuous 12-month partnership.

4. Renewal Terms:

- This Agreement is valid for a period of 6 months from the Effective Date.
- Renewal Option: Marslander Inc. may renew the contract for an additional 6 months at a 10% increase in base rates.
- Renewal Notice: Renewal intent must be provided in writing 30 days prior to the expiry date.

5. Termination and Cancellation:

- Either party may terminate the Agreement with a 30-day written notice.
- In the event of early termination by the Client, a termination fee equivalent to one month's average usage will apply.

6. Data Security and Compliance:

- The Provider ensures end-to-end encryption of data.
- All data will be processed in compliance with the Space Cybersecurity Protocol (SCP).
- No data will be shared with third parties without prior written consent from Marslander Inc.

7. Liability and Indemnification:

Cybersecurity Software Service Agreement

- The Provider shall not be held liable for damages resulting from cybersecurity breaches caused by hardware malfunctions, improper usage, or third-party software.
- Marslander Inc. agrees to indemnify the Provider against claims arising from unauthorized access due to client-side vulnerabilities.

8. Confidentiality:

- Both parties agree to keep the terms of this Agreement and any related information confidential.
- Confidentiality extends to all data processed under this Agreement.

9. Governing Law:

- This Agreement shall be governed by the laws of [Jurisdiction].

10. Signatures:

By signing below, both parties agree to the terms outlined in this Agreement.
